If you could provide the above information to our office as soon as possible, it would be greatly appreciated. If your business is a Sub-Chapter S Corporation, we must complete the corporate return before your personal return.

If we have not received all your information or if we are unable to complete your business return by March 1, 2017, we will apply for an extension of time to file your return. If you are a Sub-Chapter S Corporation, your personal tax return will also require an extension. With the application for extensions, checks must be enclosed to cover any tax liability. We are able to extend the time to file your return but not the time to pay the tax due. If we find it necessary to extend your tax returns, you will either receive the extension forms in the mail to sign and mail out, or you will be contacted to pick them up from our office. If you have any questions, please call me.

Thank you for the opportunity to assist you in meeting your tax compliance obligations.
